Allergies & Intolerances

Should you have concerns about a food or drink allergy or intolerance, please speak to our staff before you order your food or drink. Ingredients can occasionally be substituted or changed so please review with your server before ordering. Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients and does not have a specific allergen free zone. Allergen data is held on each of our dish ingredients, so please ask your server in the restaurant should you require any more details. Please note that any bespoke orders requested cannot be guaranteed as initially allergen free and will be consumed at the guests own risk.
